

07:03:00 From Vibhore Prasad : What are the barriers and facilitators to better mental health for underserved communities in the UK National Health Service? (Especially neurodivergent young people and ethnic minorities).

07:03:08 From Faustina Hwang : how can we design interactive systems to support health and wellbeing?

07:03:40 From Sami Rahman : To what extent can we use AI to enhance flow and engagement whilst gaming for people with Parkinsons

07:03:54 From Avril : How can we communicate more effectively with patients/medical device users – especially where these are being trialled. Often we have patient with communication challenges e.g. post stroke.

07:04:09 From Sami Rahman : my supervisor is here, gotta sound smart

07:04:37 From Anne Vanhoestenberghé : One question is: Can educating our community on the translation pathway accelerate the impact of innovative technology in active implants? and how

07:05:27 From Avril : It's my first time in one of these events.

07:05:32 From Anne Vanhoestenberghé : First time too

07:05:34 From Amanda Foust : me too!

07:05:34 From Vibhore Prasad : My first time in this group and this area. I have recently started a 5-year research award where I am working with people who know this group well. (Gemma Wheeler and Joe Langley)

07:07:03 From Joao Valente : First time and working as a Research Technologist in the meLAB (University of Glasgow). Not currently doing research but my role is to facilitate research to others, either space, equipment or knowledge wise

08:05:23 From Anne Vanhoestenberghé : Totally stuck with incl/excl

08:28:32 From Anne Vanhoestenberghé : Sorry I have to leave now as have to get ready for next meeting. Thnaks, it's been a motivating session.

08:30:12 From Sami Rahman : gotta drop, thank you so much

08:30:40 From Joao Valente : Same here! Thanks a lot, very intersting

08:34:16 From Rajintha (Raj) Gunawardena : Thank you so much Doug for the wonderful insights. Take care. See you next week.

08:34:43 From Vibhore Prasad : Thank you. It was really useful and fun! Vibhore

08:34:58 From Zoe Hancox : Thank you! Great session! Looking forward to next week :)

08:35:10 From Patricia Scully : Thanks
